RENEWED PETITION UNDER 37 CFR §1.137(b)

Assignee hereby renews the Petition under 37 CFR §1.137(b) ("Petition") to revive the above application, which was abandoned on January 10, 2008 for failure to file an Appeal Brief within the time period provided under 37 C.F.R. 41.37(a) after filing the Notice of Appeal on November 9, 2007. A two-month extension of time is being filed contemporaneously with this renewed petition.

The undersigned notes that a Revocation and New Power of Attorney has been filed in this case today in which the Assignee has revoked all previous power of attorneys and appoints the practitioners associated with PTO Customer Number 26192. Accordingly, the undersigned is an attorney of record of the instant case upon acceptance of the Revocation and New Power of Attorney.

The Petition was originally filed on November 7, 2008, and denied on December 9, 2008 for failure to file the required reply. On March 24, 2009, the undersigned spoke with the Office of Petitions (Ms. Joan Olszewski) regarding the denial of the Petition. The Office of Petitions informed the undersigned that the filing of a Request for Continued Examination ("RCE") and a Reply to the Final Office Action of May 9, 2007 ("Reply") would be responsive to the denial. Furthermore, the Office of Petitions informed the undersigned that an additional petition fee as set forth in 37 C.F.R. 1.17(m) would not be required, as the fee was previously paid. Thus, the petition fee is not included with the renewal of the Petition. However, if the petition fee is

required, and/or if any other fees are required, the Office of Petitions may apply the fee(s) to the Deposit Account No. 06-1050.

The undersigned spoke with the previous attorney of record and states that the entire delay in filing the required reply from the due date for the reply until the filing of the Petition under 37 C.F.R. 1.137(b) was unintentional.

Accordingly, by renewal of the Petition, the following requirements have been met:

- (1) A petition fee (previously paid);
- (2) The required reply (RCE and Reply);
- (3) A terminal disclaimer (not required in the instant application); and
- (4) A statement that the entire delay was unintentional.

Granting of the renewed Petition and entry of the RCE and Reply is requested.

The required fees are being paid concurrently herewith on the Electronic Filing System (EFS) by way of Deposit Account authorization. Please apply any other charges due or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: _____
